Principal's Message

"Education is not the learning of facts, but the training of the mind to think."

We, at Sanjos English Medium School, ensure high quality education which motivates and empowers our students to be lifelong learners and the productive members of the society. Apart from the usual academic facilities, our school provides a wide variety of opportunities for extra curricular activities. We strive to provide an environment that is basically divine and has a framework of discipline that is flexible yet supportive and a freedom that allows students to learn even from their mistakes. 'San Voice' is a testimony of our activities and focus areas. I thank everyone of you dear parents, well wishers and teachers for your continual support and collaboration in our service to the society. May God bless you and keep you safe under His care..

Manager's Message

We, the Management of Sanjos English Medium School, envisions to impart education which will enlighten the mind, empower the intelligence, energise the body and awaken the soul. We aim at the integral development of each student. We want all our students to achieve their full potential. Our task is to make it possible and our mission is to provide a platform for the same. Many of our students are involved in a variety of extra curricular activities, that allow them the opportunity to grow at their own pace in a safe and nurturing environment. May our students move forward towards being awakened, worthy and responsible global citizens. Best wishes & Prayers...
