## Manager's Message

At Sanjos, we nurture young minds to become enlightened, empowered, and compassionate individuals. Our vision is to provide a holistic education that illuminates the mind, unleashes intellectual potential, energizes the body, and awakens the soul.

As the School Manager, I am committed to foster a supportive and inclusive environment that encourages our students to explore, discover, and achieve their full potential. Our dedicated team of educators and staff strive to make learning a joyful and transformative experience.

At Sanjos, we believe that education is not just about academics, but about shaping the next generation of leaders, thinkers, and change-makers. Join us on this exciting journey, and let's empower our children to become the best version of themselves.

## Principal's Message

Sanjos English Medium School earnestly attempts to fulfill the thought of St. Chavara: "Children, you are God's investment in the hands of your parents." This reflects that education is a sacred duty and develops the heart, soul, and mind toward divine truth and wisdom.

We ensure that education is not only a process of gathering knowledge, but it also helps the child acquire all the life skills needed to endeavor further in life. The process of molding may be painful, but we assure you that the result is always sweet.

San Voice is evidence of our activities and focus areas. Let me take this moment to express my gratitude to all you dear parents for your trust in handing over your investment into our hands. I thank every member of the Sanjos family for their continual support and service. May God Almighty fulfill all your aspirations.

### The Three Bears and the Missing Friend

Once upon a time, in a deep forest, three little bears—Tikku, Vikku, and Bikku—lived happily together. They loved playing football every evening. One day, while they were playing, Tikku suddenly stopped and said, "Oh no! We forgot about dinner! Mom will be home soon!"

Vikku nodded. "Let's go home quickly!" They started running back, but after a few steps, Tikku realized something. "Wait... where is Bikku?"

The two bears looked around but couldn't find him. Worried, they searched behind trees, under bushes, and near the playground. Suddenly, Vikku pointed to a tree. "Look! There he is!"

Bikku was busy chasing a butterfly and had completely forgotten about going home. "Bikku! We were so worried!" Tikku scolded.

Bikku grinned. "I just wanted to catch this butterfly!"

They all laughed and rushed home. That night, after dinner, their Mom surprised them with new clothes. The little bears were delighted.

The next morning, as they got ready for school, their father told them about Hiroshima Day and how a bomb had once destroyed an entire city. The bears listened in silence. "That must have been terrible," Vikku whispered.

Bikku- always the playful one, joked, "If a bomb fell here, would we have a 'Furfuri Day'?"

For a moment, there was silence—then all three burst into laughter. With happy hearts, they ran off to school, ready for a new day of learning and fun.

### Ode to Nature

Oh, dear Nature, bright and true,  
You give us life in all we do.  
The air we breathe, the food we eat,  
Your gifts, so pure, feel warm and sweet.

You watch us grow, you see us play,  
Guiding us in your gentle way.  
Rivers flow and flowers bloom,  
You paint the earth with nature's tune.

Lucky are we to have you near,  
Your beauty fills our hearts with cheer.  
Oh, dear Nature, strong and free,  
We love you now and always will be!

### Book Review on The Da Vinci Code

The Da Vinci Code is a spectacular mystery thriller written by Dan Brown. Published in 2003, the story takes place in France, where Robert Langdon, a Harvard professor and symbologist, is called to Paris after the curator of the Louvre, Jacques Saunière, is found murdered. Alongside the body, there is a cryptic cipher that leads to a trail of captivating secrets. Robert Langdon, along with Sophie Neveu, a skilled French cryptologist, works to uncover the hidden messages and codes that will reveal the truth.

As they navigate through Paris and London, they unravel riddles and hidden clues while being pursued by dangerous adversaries. Their quest leads them to confront a dark history and the secrets that could potentially shake the very foundations of Christianity. Central to the story is Leonardo da Vinci, the renowned artist behind the famous painting Mona Lisa, and the discovery of a secret organization called the Priory of Sion.

The story is concluded systematically, keeping the reader on the edge of their seat throughout. I highly recommend joining Langdon and Sophie on this gripping quest that will leave you captivated until the very end.

### The White Cow

Moo, moo, white cow,  
Do you have some milk for me now?  
Yes, dear! Yes, dear!  
Fresh and creamy, rich and pure.

Churn it into butter,  
Press it into cheese,  
Freeze it into ice cream,  
Or sip it as you please!

### See the Bug

See the bug on the rug.  
I will give his legs a tug.  
See him run, see him go.  
He did not like it, no, no  
See him hop, on the mop.  
See him hide, make me stop.  
I will stop, I will not tug.  
You are safe, little bug.

### Rainbow

A rainbow is formed after rain.  
It consists of seven colors  
that together create a beautiful, thick band.  
The seven colors of the rainbow are  
violet, indigo, blue, green,  
yellow, orange, and red.  
The rainbow is a beautiful natural spectacle  
that is colorful and pleasing to the eyes.

### Education: The Value in Our Life

Oh, Education!  
You are the mother of all professions,  
The passport to progress,  
The golden key to success.  
You shape our personality,  
You enhance our prosperity,  
You guide the process of teaching and learning,  
Empowering us for a brighter future.  
Oh, Education!  
What a remarkable contribution you make!

### True Friendship

In quiet moments, side by side,  
We find the strength we cannot hide.  
No need for words, no need to show,  
Through laughter, tears, and silent glow.  
True friendship is a sacred space,  
A bond of love, a warm embrace.  
A simple thread so firm, so true,  
Binding me to you—and you to me.

### Valiant heart

In the midst of chaos,  
stood a woman,  
Her heart as cold as the wind  
that blew over the land of dead.  
Her voice was loud and clear,  
her screams even more deadlier  
Each footstep she took  
knowing it might be the last one  
Her dreams reborn that day,  
pardoning their depravity.  
Hot tears ran through her face-  
ghostly, that's what she was.  
Her arms moved as sword  
piercing through the wind.  
As she ran,  
into the pit of uncertainty  
Though she was certain-  
she would not leave them behind.  
As she gasped for air,  
lending her brutally soft hand  
The world declared her  
Their saviour, their hero.  
She was nothing more than  
just a lady.

### Celestial Whispers

In cosmic seas where stars are sown,  
A boundless vast, the unknown throne.  
Galaxies spin in timeless grace,  
A silent hymn through endless space.  
Infinity whispers, soft and deep,  
The universe stirs, yet seems to sleep.  
Nebulas glow with mystic light,  
Dreams take flight in the velvet night.

Through cosmic winds and stardust bright,  
The heavens hum in silvered light.  
A whispered song, a secret true,  
The universe speaks—to me, to you.

## Travelogue: A Trip to Kashmir

Every year, during the summer vacation, my family plans a long trip to the best tourist destinations in India. Last year, we decided to visit Kashmir, and this trip became one of the best memories of my life. We traveled to Kashmir by train and stayed in a hotel for a few days. We booked two rooms for our family. After settling in, we had lunch and began to explore the beautiful destinations in Kashmir. We visited Kashmir during the winter, which added to the charm, as there was a lot of snow everywhere. Our first stop was Sona Marg, a picturesque place covered with snow. Then we traveled to Gulmarg, my favorite destination among all. Gulmarg is located on top of a mountain, surrounded by snow-covered peaks. It was truly a beautiful sight. After spending some time there, we returned to our hotel for some rest. The next day, we went to Dal Lake and spent the entire day there. The lake was mesmerizing, and we even stayed on a houseboat, which was a unique experience. After enjoying Dal Lake, we went to Pahalgam, another beautiful place worth visiting.

Apart from these, there were many other places we visited, but I have only mentioned some of the highlights. I also enjoyed the delicious local food, including various varieties of sweets, walnut fudge, and other traditional dishes. The markets in Kashmir are vibrant, and we could buy beautiful dresses, T-shirts, jackets, and many other items at reasonable prices. The traditional dress of the people in Kashmir is the pheran, which adds to the region's unique charm. Kashmir is known for its rich culture and cuisine, particularly the famous Wazwan feast, which is a must-try. The people are warm and hospitable, and the entire experience left us in awe. Kashmir truly lives up to its name as the "paradise on earth." This trip to Kashmir will always remain one of my best memories, and I highly recommend visiting this beautiful place at least once in your lifetime.

## Mia's Magical Adventure

Once upon a time, in a quaint little village, a girl named Mia lived with her parents. She had an adventurous spirit and loved exploring the dense forest that surrounded her home. She found joy in discovering hidden paths and running through fields of wildflowers. One day, while wandering through the forest, Mia stumbled upon a hidden cave. Curiosity sparked within her as she cautiously stepped inside. To her amazement, the cave glowed with an unusual light, and on a stone pedestal lay a peculiar-looking book. As she picked up the book, a sudden gust of wind swirled around her. Before she could react, she was transported into a mystical world. The sky shimmered in shades of pink and purple, and golden-leaved trees sparkled all around her.

Mia soon realized she had entered the land of Enchancia—a magical kingdom where animals talked, and fairies fluttered through the air. She was greeted by a wise old owl named Oliver, who revealed that she was the chosen one, destined to save their land from an evil sorcerer. Determined to help, Mia embarked on a daring adventure to find the enchanted crystal—the source of the kingdom's power. She journeyed through enchanted forests, crossed shimmering rivers, and climbed towering mountains. Along the way, she made new friends, including a courageous squirrel and a kind-hearted fairy.

After facing numerous challenges, Mia finally reached the sorcerer's castle. With her intelligence and bravery, she retrieved the enchanted crystal, restoring peace and balance to the kingdom. The people of Enchancia cheered for her heroic deed, and Oliver expressed his deepest gratitude. As a reward, Mia was granted one wish. Without hesitation, she wished to return home. In an instant, she found herself back in the cave, holding the magical book. She smiled, knowing she had just experienced the adventure of a lifetime. From that day on, Mia cherished her magical journey and continued to dream of new and exciting adventures yet to come.

## The Everlasting Life is Heaven

One day, a young man named Y was driving recklessly—at 400 mph in a school zone. Suddenly, another car collided with his. The impact was devastating, and he was rushed to the hospital. His family waited anxiously, their hearts filled with worry. After what felt like an eternity, the doctor finally stepped out of the operating room. The mother, her voice trembling, asked, "Doctor, is my son going to be okay?"

The doctor sighed and replied sorrowfully, "I'm sorry. If you had brought him just a few minutes earlier, we might have been able to save him." Tears filled the family's eyes as grief consumed them. Meanwhile, the young man found himself in a surreal state—he could see his body lying lifeless, yet he felt no pain. Instead, he saw a radiant figure standing before him. Overwhelmed, he gasped in awe, "Oh my God! It's really You—our Lord and Savior!" God smiled gently and said, "Welcome, my child. Your soul will be protected here forever." Moral of the story: The everlasting life is in Heaven.

## लालफूल

एक लड़की पहाड़ी के पास रहती थी। वह चित्रकला में बहुत अच्छी थी। एक दिन वह रंग खरीदने के लिए एक दुकान पर गई। रास्ते में एक अजनबी ने उसके चेहरे पर तेजाब डाल दिया। वह बेहोश हो गई। किसी ने उसे अस्पताल पहुँचाया। जब उसे होश आया तो उसने शीशे में देखा। यह देखकर वह रोने लगी। अस्पताल से छुट्टी मिलने के बाद वह घर वापस पहुँची। घर पर उसे अपनी अचूरी पेंटिंग दिखाई। वह उसे पूरा करना चाहती थी। उस समय उसे समझ में आ गया कि अब कोई पेंट नहीं बचा है। वह खरीदना चाहती थी लेकिन वह अपने चेहरे को कैसे छुपा सकती थी? इसलिए उसने किसी तरह बचे हुए रंगों को मिलाया और अपने सपने को पूरा करने में जुट गई। उसने एक छोटी लड़की बनाई थी, जो एक पेड़ से लाल फूल तोड़ने की कोशिश कर रही थी। उसे लगा कि लाल फूल पूर्णता का प्रतीक है। वह छोटी सी लड़की पूर्णता पाने की कोशिश कर रही थी। पेड़ इतना बड़ा था कि उस लड़की के लिए उन लाल फूलों को तोड़ना मुश्किल था। पेड़ जीवन की कठिनाइयों का प्रतीक था। उसने सोचा कि पेड़ की जड़े मिट्टी में गहरी होती हैं, और इसका मतलब है कि कठिनाइयों धरती से संबंधित हैं जिनमें हम धरती से दूर नहीं रख सकते। अब उसने अपनी बनाई हुई पेंटिंग को देखा। तब उसे गर्व और जीत का अहसास हुआ जैसे उस छोटी बच्ची ने लाल फूल तोड़कर अपने दुख पर विजय प्राप्त की थी। वह हँसने लगी और आँसू बहने लगे। उसे लगा कि वह भी एक दिन उस लाल फूल को तोड़ेगी। बाद में वह बाहर जाने लगी और उस लाल फूल को तोड़ने की कोशिश करने लगी।

**भगवान की परीक्षा**

एक घने जंगल में एक गरीब आदमी रहता था। उसका नाम मनु था। उनके परिवार में 4 सदस्य थे। उनके पिता, माँ, बहन - माया और वह स्वयं। हर शाम वह भोजन पाने के लिए शिकार पर जाते थे। लेकिन उन्हें बहुत कम मिलता था क्योंकि अन्य लोग उनसे पहले शिकार कर लेते थे। फिर भी उनका परिवार ईमानदार और अच्छा था।

एक दिन सभी परियों ने मिलकर इसकी जाँच करने की योजना बनाई। उस दिन जब वे भोजन की तलाश में निकले तो उन्हें एक गुफा दिखाई दी। मनु और उसका परिवार गुफा के अंदर जाकर देखने लगे कि वहाँ क्या हो सकता है। जब वे वहाँ पहुँचे तो उन्होंने सोने और सोने के सिक्कों से भरी बोरियाँ देखीं। उन्हें आश्चर्य हुआ। अचानक उन्हें समझ में आ गया कि यह ईश्वर द्वारा ली गई परीक्षा है। मनु समझ गया कि भगवान हमेशा उन लोगों की मदद करते हैं जो अच्छे और ईमानदार होते हैं। जब वह दूसरों को देख रहा था तो वे जितनी जल्दी हो सके सोने को हथिया रहे थे। मनु भगवान को समझ सकता था, इसलिए उसने बोरी से कुछ भी नहीं उठाया। उन्होंने समझा कि जीवन का मूल्य केवल ईमानदारी और सच्चाई से ही प्राप्त किया जा सकता है। भगवान हमेशा सब पर नजर रखते हैं। जब अन्य लोगों ने गुफा से सब कुछ निकाल लिया तो वह खाली हो गई। इसके बाद मनु और उनके परिवार ने अपनी मेहनत और ईमानदारी से जीवन में सफलता प्राप्त की। वही अन्य लोग बेकार हो गए, क्योंकि उन्होंने अपना पैसा कमाएँ और विशाल हवेलियाँ खरीदने में खर्च कर दिया।

मनु और उनका परिवार ईमानदारी और सच्चाई के मार्ग पर चले, जिससे वे धनवान बन गये। यह कहानी हमें सच्चाई और ईमानदारी के रास्ते पर आगे बढ़ने की ओर इशारा करती है। इसमें यह दृष्टिकोण भी शामिल है कि हमें सच्चाई के रास्ते से भटकना नहीं चाहिए।

**School of Learning**

Within these walls where knowledge gleams,  
A school of learning shapes our dreams.  
Not sterile halls, but vibrant space,  
Where minds ignite and find their place.

The teachers guide with patient hands,  
Through lessons vast from many lands.  
With history's tales and science's art,  
They open minds and touch the heart.

No rigid paths but open doors,  
To explore the world and so much more.  
Creativity takes flight and soars,  
As imagination freely roars.

A school of learning-more than a name,  
A beacon bright, a guiding flame.  
Where wisdom's fire is kindled deep,  
And knowledge treasures we will keep.

So let us learn and let us grow,  
Within these walls, let our spirits glow.  
A school of learning, true and bold,  
A story waiting to unfold.
