SANJOS ENGLISH MEDIUM SCHOOL

SAN VOICE

MISSION

Our school is committed to foster a vibrant community where every student's potential is ignited and empower them towards a future filled with boundless possibilities and endless opportunities.

VISION

Sanjos envisions to impart education which will enlighten the mind, empower the intelligence, energise the body, and awaken the soul.

"Learn, adapt, thrive."

"Learning today, leading tomorrow."

"Every mistake is a lesson, every success is a celebration."

Sanjos English Medium School, established in 1994 by The Congregation of Mother of Carmel Educational Society Thalassery, has grown from 13 to over 1300 students. Following the CBSE syllabus, it promotes inclusivity, prioritizes admission for children from weaker sections, and aims for holistic development. The school, rooted in Christian teachings, emphasizes academic excellence, personality development, and community service, recognizing the importance of public and government support in achieving its goals.

Manager's Message

As the manager of Sanjos, it's our unwavering commitment to cultivate a vibrant and inclusive community where every child's potential is not just recognized but ignited. We believe in providing a nurturing environment that empowers our students with boundless opportunities for growth and development. Our mission is to foster an atmosphere where curiosity is nurtured, talents are honed, and individuality is celebrated. We aspire to equip our students with the tools and guidance needed to flourish academically, emotionally, and socially, thereby preparing them to excel in an ever-evolving world.

Principal's Message

At Sanjos, our vision is to cultivate an educational environment that goes beyond textbooks and classrooms. We strive to nurture minds, fuel intellects, invigorate bodies, and ignite souls. Our commitment is to empower students with an education that not only enriches their knowledge but also fosters holistic growth. We believe in inspiring a journey of learning that extends far beyond academic achievement, aiming to create individuals who are not just knowledgeable but also compassionate, innovative, and resilient members of society.
